

APPOINTMENTS

VICE-PRESIDENT FOR ACADEMIC AFFAIRS PROFESSOR OF FINANCE

Yuk-Shee CHAN
陳玉樹教授

Prof Yuk-Shee Chan has been appointed Vice-President for Academic Affairs effective 18 December 2001. He has been Acting Vice-President for Academic Affairs since January 2001. Prof Chan received his BBA from the Chinese University of Hong Kong, and his MBA in finance, MA in economics, and PhD in finance and economics from the University of California at Berkeley. In 1982 he was appointed to the faculty at Northwestern University's Kellogg Graduate School of Management, later moving on to the University of Southern California where he was the Justin Dart Term Professor of Finance. He joined HKUST in 1990 as Deputy Head of Finance and Economics. Prof Chan was appointed Chairman of the Faculty in the School of Business and Management, and became founding Dean of the School in 1993.

Prof Chan's research interests include economics of information, financial institutions and contracts, and corporate finance. He is

currently Associate Editor of the *Journal of Banking and Finance* and a director of the Asia-Pacific Finance Association.

Prof Chan is a member of the International Advisory Council of AACSB International—The Association to Advance Collegiate Schools of Business. He is active in professional and community services positions in Hong Kong, serving as an advisor to the Hang-Seng Index Services Limited. Prof Chan was a director of the Hong Kong Securities Clearing Company from 1992 to 1998 and served as its Deputy Chairman from 1994 to 1998. In October 2000, he was appointed Chairman of the Pay Trend Survey Committee. He is a member of the Council of the Open University of Hong Kong, and serves on the Education Commission's Working Group on the Development of Post-secondary Education.

PROFESSOR AND HEAD, DEPARTMENT OF MECHANICAL ENGINEERING

Tongxi Yu
余同希教授

Prof Tongxi Yu has been appointed Head of the Department of Mechanical Engineering effective 15 January 2002. Prof Yu joined HKUST as Professor of Mechanical Engineering in 1995, and is the Director of the Institute for Integrated MicroSystems.

Prof Yu earned his BS from Peking University. Following 10 years of work in industry in the Chinese Mainland, he obtained his PhD from Cambridge University in 1983. He was Professor and Head of the Solid Mechanics Division in the Department of Mechanics at Peking University from 1984 to 1991. In 1991, he returned to Cambridge as a Royal Society Visiting Fellow, and joined the faculty of the University of Manchester Institute of Science and Technology as Reader in 1992.

Prof Yu is an accomplished scholar with an international reputation in the areas of plasticity and impact mechanics. He has published six books and over 200 refereed journal papers, and is a member of the editorial boards of the *International Journal of Mechanical Science* and *International Journal of Impact Engineering*. Prof Yu was awarded an honorary Doctor of Science by Cambridge University in 1995, and was the recipient of the China High Education Natural Science Award (first class) in 2001. He has been Visiting Professor in more than 10 universities around the world, and is also a Fellow of the Hong Kong Institution of Engineers, and President of the Hong Kong Society of Theoretical and Applied Mechanics.

PROFESSOR AND HEAD, DEPARTMENT OF INDUSTRIAL ENGINEERING & ENGINEERING MANAGEMENT

Chung-Yee LEE
李忠義教授

Prof Chung-Yee Lee comes to HKUST from Texas A&M University, where he has been Rockwell Professor of Industrial Engineering since 1996. He holds a BS in electronic engineering and an MS in management science from Chiao-Tung University in Taiwan. Prof Lee received an MS in industrial engineering from Northwestern University, and a PhD in operations research from Yale University in 1984. He joined the University of Florida as Assistant Professor of Industrial and Systems Engineering in 1984, becoming Associate Professor in 1989, and Professor in 1994. He was Visiting Professor at the Chinese University of Hong Kong from 1995 to 1996.

Prof Lee is a renowned researcher in the areas of production and operations management, and logistics management. He has experience in both plant management and consulting, and has led numerous applied research projects in the US, sponsored by the National Science Foundation and companies such as IBM, AT&T, and Harris Semiconductor.

Prof Lee has published more than 80 papers to date in leading journals, including *Operations Research* and *IIE Transactions*. He was Editor of *IIE Transactions on Scheduling and Logistics* from 1997 to 2000. He is an area editor for the *Journal of Production and Operations Management* and an associate editor of several other top journals, including the *Journal of Scheduling* and *Naval Research Logistics*.

VISITING ASSISTANT PROFESSOR OF BIOCHEMISTRY

Helen CHEUNG
張藹倫博士

1990 PhD

1996-2001

Research Interests

Oxford Polytechnic (Physiology & Pharmacology)
Lecturer, International Medical University, Kuala Lumpur
Electrophysiological and biochemical characterization of receptor-operated and voltage-dependent ion channels as target sites for centrally-acting drugs.

ASSISTANT PROFESSOR OF SOCIAL SCIENCE

Sanghoon AHN
安相勳博士

1997 PhD

1997-2001

Research Interests

Massachusetts Institute of Technology (Economics)
Economist, Organization for Economic Cooperation and Development (OECD), Paris
Technology and productivity; economic development; international trade and finance.

ASSISTANT PROFESSOR OF CIVIL ENGINEERING

Ben YOUNG
楊立偉博士

1998 PhD

1998-2001

Research Interests

University of Sydney (Civil Engineering)
Assistant Professor, Nanyang Technological University, Singapore
Structural stability; structural testing; cold-formed steel structures; stainless steel structures; analysis and design of steel structures.

ASSISTANT PROFESSOR OF SOCIAL SCIENCE

Daniel Yiu-Fai LEE
李耀輝博士

2002 PhD

Research Interests

University of Toronto (Labor Economics & Development Economics)
Development economics; economics of human resources; Chinese economy.

ASSISTANT PROFESSOR OF COMPUTER SCIENCE

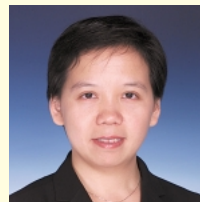

Albert Chi-Shing CHUNG
鍾志成博士

2001 DPhil

2001

Research Interests

University of Oxford (Engineering Science-Information Engineering)
Visiting Scientist, Massachusetts Institute of Technology
Medical image processing and analysis; computer vision; statistical signal modeling.

ASSISTANT PROFESSOR OF SOCIAL SCIENCE

Michelle YIK
易少梅博士

1999 PhD

1998-2001

Research Interests

University of British Columbia (Psychology)
Assistant Professor, University of Hong Kong
Culture and personality; structure of affect; cross-cultural research methods.

ASSOCIATE PROFESSOR OF ECONOMICS

In CHOI
崔仁博士

1990 PhD

1989-1994

Research Interests

Yale University (Economics)
Assistant Professor, Ohio State University
Time series analysis, panel data, simultaneous equations system.
