HKUST STRATEGIC VISION

The university is striving to drive forward several key areas:

EDUCATION DEVELOPMENT

HKUST’s strategic approach provides all-round student experiences. Opportunities to study international courses, paired exchanges, cross-disciplinary research experiences, internships, and co-op programs are available.

RESEARCH DEVELOPMENT

The university’s cutting-edge research in top global research areas, breakthrough method development and funding support are available. Areas of focus include nanotechnology, nanoelectronics, biosciences and biotechnology, computer science and information technology, energy and environmental engineering and management, material science, medicine and health, and social sciences.

FACULTY DEVELOPMENT

100% of HKUST’s faculty are involved in international collaborations. We are always looking for a diverse mix of highly-achieving and experienced educators.

COMMUNITY ENGAGEMENT

Our students and faculty are encouraged to work out to serve the community through university-organized co-curricular activities such as HKUST Connect and the SUHK Union Awards. We also expand our ties with our professional communities.

RECENT TRENDS IN THE NUMBER OF NONT-LOCAL STUDENTS (undergraduate and postgraduate)

- **International Students**: 4,823 (9.38%)

**FACULTY PROFILE**

- Engineering
- Science
- Business
- Humanities
- Social Sciences

**RESEARCH**

- $250M in research funding

**GLOBAL RANKINGS (as at Dec 2019)**

- QS World University Rankings by Subject: #13 in Computer Science
- Times Higher Education World University Rankings: 54-60 in Engineering & Technology
- Shanghai Jiao Tong Rankings: #37 in Computer Science
- Webometrics Academic Ranking of World Universities: #47 in Technology

**FACULTY**

- HKUST is rated 5th in the world for engineering and technology research.

**TEACHING ACHIEVEMENTS**

- 5 Macao Government Teaching Awards

**SUPPORT AND SERVICES**

- International Office
- Student Services and Guidance
- Career Development Services

**SCHOLARSHIPS**

- President’s Scholarships
- Research Scholarships

**INNOVATION AND ENTERPRISE**

- HKUST Innovation & Entrepreneurship Program
- HKUST Business Incubation Program

**PARTNERSHIPS**

- Industry partnerships
- Government partnerships

**HONG KONG UNIVERSITY OF SCIENCE AND TECHNOLOGY**
